**TERMINAL DISCLAIMER TO OBVIATE
DOUBLE PATENTING REJECTION (37 CFR §1.321(b))**

I represent that I am a representative authorized to sign on behalf of the assignee identified below owning all of the interest in this application.

Identity and Title of Disclaimant: Edward A. Meilman
Attorney of Record

The assignee is:

Name of assignee Rockwool International A/S
Address of assignee 501 Hovegaden
DK-2640 Hedehusene, Denmark

Disclaimer:

Rockwool International A/S hereby disclaims the terminal part of any patent granted on the above-identified present application which would expire beyond the expiration date of the full statutory term of United States Patent Nos. 5,935,886, 5,932,500, 6,346,494 and 6,156,683; and

agrees that any patent so granted on the above-identified present application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to United States Patent Nos. 5,935,886, 5,932,500, 6,346,494 and 6,156,683, this agreement to run with any patent granted on the above-identified present application and to be binding upon the grantee, its successors or assigns; and

does not disclaim any terminal part of any patent granted on said above-identified present application that would extend to the full statutory term of United States Patent Nos. 5,935,886, 5,932,500, 6,346,494 and 6,156,683 in the event that one or more of said patents later expires for failure to pay maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R.

1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term, except for the separation of legal title stated above.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Dated: August 9, 2002
